8. Infographic Explaining Public Land Mobile Network (PLMN)

Aim:
To create an infographic in Figma explaining the concept and components of a Public Land Mobile Network (PLMN).

Procedure:

1. Open Figma and create a new design file.
2. Select a suitable infographic frame.
3. Add the title Public Land Mobile Network (PLMN).
4. Add a mobile station as the starting component.
5. Include the Base Station Subsystem (BSS).
6. Add the Network Switching Subsystem (NSS).
7. Show the connection to the core network and external networks.
8. Use icons, arrows and colours to explain the communication flow.
9. Add short descriptions and arrange the infographic neatly.
